JOB ANNOUNCEMENT

POSITION TITLE: Safety/Security Technician   **PCN:** 033203
(Bargaining Unit)

REPORTS TO: Electronic Foreman   **P.R.:** A9

RESPONSIBILITIES: Install, maintain and repair electronic equipment in County buildings and facilities to support Safety and Security Operations. Read blueprints/diagrams to locate placement of security cameras, digital video recorders, gate and door controls (including high voltage types), alarm panels and peripherals such as panic buttons and duress alarms, fire alarm systems, and digital receivers for alarm system monitoring. Install video projection, commercial grade sound/audio systems, intercoms, and UPS cable and Cable TV systems. Install network equipment and lay/pull wires, cable and fiber optic lines to support operation of electronic equipment. Complete, diagnose and repair required systems programming and calibration for operation of cameras, digital video recording, door controls, alarm panels, fire alarm systems, digital receivers and sound audio systems.

Perform preventative maintenance on electronic equipment. Prepare records and document work completed. Enter record of completed tasks in work order system. Maintain records of parts and supplies utilized. Complete and file estimates of work to be completed.

MINIMUM QUALIFICATIONS: Associates degree in Electronics Engineering with three (3) years experience in commercial safety/security technology; or any equivalent combination of training or experience. **Preferred Requirements:** Ability to lift 75 pounds. **Unusual Working Conditions:** May be exposed to environments that may be offensive to the human senses and around prison inmates. May be on call 24 hours a day, seven days a week.

STARTING SALARY: $18.05/hour, plus a comprehensive benefits package.

DATE POSTED: Monday, May 22, 2017

DEADLINE TO APPLY: Wednesday June 7, 2017
